Tee Time Procedures

Tee times are always an option, and tee times are not mandatory, but are helpful for the Club to be prepared for your visit. Tee times can be made online via our website or over the phone, and all tee times can be made up to and day of.

To schedule a tee time, please call the Starter at: **516-668-6458** Or visit the Membership Portal on our website at: <https://www.lycc.cc/book-a-tee-time/>

A tee-time can be made up to four (4) days in advance max for all Golf Members or two (2) days in advance for our Rec Permit Members. **Please note Platinum, Gold, Silver or Bronze members may not book Rec Pass members as guests 4 days in advance.**

Signing up as a foursome is strongly suggested. Partial foursomes may have additional players added. The first Member name on the request is responsible for the group.

**** Please do not book guests just to fill spots in your foursome. This practice takes playing opportunities away from other members. ****

SATURDAY AND SUNDAY MORNING LOTTERY SYSTEM

Platinum, Gold, and Silver members may request a tee time one week in advance for the upcoming weekend using a request card. Cards are available at the starters booth and may be placed in the mailbox at the left side of the door to the booth. The Golf Staff will then assign tee times the Tuesday prior to the weekend. The cards will be collected by the Golf Staff no later than 2:00 pm on Sunday afternoon. Cards will only be accepted for the upcoming Saturday and Sunday. Although not guaranteed, the Golf Staff will endeavor to allocate a Tee-time as close as possible to the requested time. Notification to Members will be sent by Golf Staff Tuesday by 12:00pm.

The reason for the card system is to accommodate as many players as possible by using a split tee start, on Holes 1 & 10. The Tee-Sheet will then be re-open for online or Starter bookings on Thursday prior to the weekend for open tee-time slots.

Check-In Process

Players are asked to register in the Golf Shop, and unless otherwise noted, must not tee off prior to the opening of the shop. The Hours of Operation for the Golf course, Golf Shop, bag room, and Driving Range are set by the Head Golf Professional and are subject to change throughout the season. The most up to date information will be posted at the Golf Shop, and on the website.

Starting Times

All players should report to the Starter a minimum of ten (10) minutes before their scheduled tee time. Play will only begin on the first (1st) and/or tenth (10th) Tee, unless otherwise noted by the Starter and/or the Head Professional.

ALL GOLFERS MUST PLAY WITH THEIR OWN SET OF GOLF CLUBS.

Golf Shop Apparel and Equipment

The Golf Shop offers the latest apparel, equipment, and accessories at competitive prices. A wide selection of products are in stock, and custom orders can be made directly with John Morrison, PGA.

Driving Range and Practice Area

The Driving Range will open thirty (30) minutes before the first scheduled tee time and will close thirty (30) minutes before dusk. The Head Golf Professional reserves the right to change this schedule.

- One range card per member will be issued. A \$10 fee will be charged for a lost range card.
- Appropriate attire is required. Please see the Dress Code section for more details.
- Lending your card to a non-member may result in suspension of range use.
- Only Guests who have purchased a guest round are permitted at the range and must be accompanied by the hosting member.
- Any member or guest found picking up balls from the range may lead to immediate suspension.
- The far end of the range is designated for teaching only. At no time are members permitted to use this area.
- Teaching by anyone other than the LYCC PGA Professional staff is prohibited.
- Range Balls are for Driving Range Use **ONLY!** Any member found using Range Balls on the course may receive a warning letter from the Park Commission.

Dress Code

Golf course attire must follow the traditions of the Club. The best example of acceptable dress for playing Golf at Lawrence Yacht and Country Club is the type of attire worn by male and female touring Golf Professionals.

The Dress Code is strictly enforced. Reasonable conservatism of dress is expected of all Members and Guests. Proper attire contributes to the overall enjoyment and reputation of the Club.

Proper attire is required on the Golf course, driving range, putting green and practice areas. Should there be any questions or concerns regarding the Golf Dress Code, please contact John Morrison, PGA at jmorrison@kempersports.com or call the Pro-Shop at 516-239-8263 or 347-723-3422.

The Club's dress code, as outlined below, is mandatory for all players, and is intended to maintain the standards desired by the Membership.

MEMBERS ARE RESPONSIBLE FOR THEIR GUESTS TO ADHERE TO THE DRESS CODE

For Men:

- Shirts with collars and sleeves are required. The shirts are to be tucked in.
- Walking shorts are acceptable, but cargo shorts are not allowed.

Pace of Play

Acceptable pace for eighteen (18) holes is four (4) Hours and fifteen (15) minutes. Each group is expected to keep pace with the group in front of them. We encourage Members to allow faster groups to play through. However, should the group in front be on pace, then there is no right to play through.

Players are monitored for Pace-of-Play by the Ranger. If you are behind pace you will be warned twice, before being moved into position. The GPS system in the cart will also notify you if you are behind pace.

To assist members and their guests to enjoy the game and keep up with pace-of-play, we have provided a suggested Tee based on Handicap. Please see below:

Please see the Rules and Regulations for more details.

Any complaints regarding a member, guest, or Club employee, should be addressed with the Head Golf Professional and/or the General Manager only.

Except where modified by local rules, USGA regulations will govern all play. A copy of the USGA Rules Book is available in the Golf Shop.

Cell Phones: Should be silenced while on the Golf course, and players are asked to step away when making or receiving calls. Additional information regarding the cell phone policy can be found in the Club's Rules and Regulations. Cell phone use is not allowed if it impedes the pace of play.

Spectators and non-players are not allowed on the golf course, with the exception of events as defined by the Head Golf Professional.

Events: Member “Men’s and/or Women’s Club Tournaments” and Member holiday events will receive priority over “regular” member tee times. However, whenever possible, the Club will hold specific times for members not participating in the event.

Course Conditions & Outing Schedule: If the Course Superintendent or General Manager considers that for any reason the course is not in a playable condition or that there are circumstances that render the proper playing of the game impossible, they may order a temporary suspension of play or declare course closed for the day.

Members can call 516-239-8263 to get course condition information. Our Golf Course Maintenance Department will email all club members in our email database course conditions on a daily basis from April 1 through December 15.
